proposal to withdraw the concession of collecting the duty once a year and to levy the same then & there under the rules and to levy the duty from the merchants for 1929-30 on the value of the goods imported by each as ascertained by local enquiry.

As the system of levying the duty once a year was sanctioned only experimentally and the same is said to be not working satisfactorily, the action taken by the D.C may perhaps be approved.

To

General Secretary to Government,
B a n g a l o r e.

Sir,

Adverting to G.O. No. L 1100-1/Ml. 271-28-21 dated the 8th August 1929 approving finally of the introduction of the Octroi taxation into the Konanur Minor Municipality and also of the proposal to collect the duty on piece goods from the local merchants of Konanur on the accounts furnished by them once a year as a temporary measure for one or two years, I have the honor to state that the President of the Konanur Municipal Council reports that after due notice to the public, the Octroi taxation was given effect to in the Municipality from 1st September 1929, and that the local merchants also dealing in piece goods, who are 14 in number were, by written notice, apprised of this fact and asked to maintain and tender their accounts with origina invoices of goods imported by them, so that the Octroi duty due from them may be fixed and collected as per Government Order. From his report, it is further seen that in spite of another notice issued to these merchants, none of them has produced his accounts and paid up the duty, and that out of these 14 merchants, 3 are Municipal Councillors and they are trying their best to evade the payment of Octroi and cause loss to th Municipality. It seems that one Mr. P. Nanjappa Setti, a leading Municipal Councillor and a piece-goods merchant

is taking active part in this behalf. In view of the fact that the Municipality has already sustained a heavy loss of about Rs12000 owing to the delay in the introduction of the Octroi duty and the finances of the Municipality are very poor, the President proposes that the concession allowed in the Government Order under reference may be withdrawn and the Octroi duty collected from these merchants as well under the ordinary rules as per byelaws and the standing orders of Government, as soon as goods are imported by them into the Municipality instead of once a year on the accounts furnished by them. He further requests orders to levy the duty from these merchants for 1929-30 on the value of goods imported by them as ascertained from local enquiry. A copy of his report No. H.C. 14/30-31 dated 31st August 1930 on the subject is enclosed herein for information.

2. During my inspection of the Municipal Office at Konanur last month, the President brought all the facts personally to my notice and Mr. P. Nanjappa Setty (Municipal Councillor) and some others also represented to me that the Octroi duty may be abolished. As already brought to the kind notice of Government, it is not desirable and I am not prepared to abolish the octroi taxation in view of the fact that the only important sources of income of the Municipality have all been the mohatarfa taxes and market fees, and the Municipality will sustain serious loss by such a step. Above all, octroi is levied at present only on two items viz., piece goods and kerosine oil.

3. In these circumstances, I have issued instructions to the President of the Municipal Council to do away with the present system of collection of Octroi duty once a year on accounts from these local merchants and to recover the duty under the ordinary rules as proposed by him. He has also been asked to fix and collect

collect the duty due from these merchants for 1929-30 and up to date on the value of goods imported by them during the period as ascertained from his local enquiry. I request that my action may kindly be approved by Government.

4. As regards the Municipal President's request to allow him to collect information about the value of piece goods imported by these merchants from references of the Income-tax Department, I do not think that Standing Orders permit it.

I have the honor to be,

S i r,

Your most obedient servant,

Deputy Commissioner,

Hassan District.
